

# BioZinc 115

Highly concentrated zinc fertiliser. Effectively remedies and prevents zinc deficiency in all crops. Special formula that is rich readily absorbable zinc.

## SUPER ADJUVANTS

have been added to optimise both the absorption and effect of the added nutrients.

### APPLICATION

BioZinc 115 effectively remedies zinc deficiency in all crops. BioZinc 115 is a highly concentrated zinc fertiliser made from the best raw materials.

BioZinc 115 is formulated with nitrogen and adjuvants to ensure the best possible absorption in the plant.

### DOSAGE

The recommended annual dosage is 4–6 L/ha divided into multiple applications. The largest dose is used for corn and other crops requiring high levels of zinc.

Note that we assume no liability for any mixture with other fertilisers or pesticides. Before mixing with one or more pesticides, it is advisable to make a small test solution.

BioNutria Danmark will not be responsible for the effect of mixtures, but guarantees only the content of BioZinc 115.

### HANDLING AND STORAGE

BioZinc 115 must be stored in a frost-free environment and out of the reach of children.

When handling, you must wear protective gloves and eyewear.

### DANGER

Ingredients: Zinc sulphate monohydrate.

H302 Harmful if ingested. H318 Causes serious eye damage. H410 Very toxic to aquatic life, with long lasting effects.

Prevention: P264 Wash hands thoroughly after handling. P280 Wear protective gloves/protective clothing/eye protection/face protection.

Reaction: P301 + P312 IF SWALLOWED: Call a POISON CENTER or doctor if you feel unwell.
