

BioNutria Magnesium 50

Made from the very best ingredients allowed for organic use.
A high-quality magnesium solution formulated on the basis of immediately plant-available magnesium. Also contains sulphur.

BioNutria Magnesium 50 is an authorised non-organic product that can be used in organic farming in accordance with EU Regulation 848/2018.

BioNutria Magnesium 50 can be mixed with most pesticides. Before mixing with one or more pesticides, it is recommended to make a smaller sample mixture.

Note that we assume no liability for any mixture with other fertilisers or pesticides. Before mixing with one or more pesticides, it is advisable to make a small test solution.

BioNutria Denmark will not be responsible for the effect of mixtures and guarantees only the content of BioNutria Magnesium 50.

DOSAGE

Use BioNutria Magnesium 50 as needed.
Recommended use: 20 L/ha. per treatment

APPLICATION

BioNutria Magnesium 50 is mixed with a water volume of 100–200 L/ha. As the product is absorbed through the leaves, good plant cover is important.

HANDLING AND STORAGE

BioNutria Magnesium 50 must be stored in a frost-free environment and out of the reach of children.

When handling, you must wear protective gloves and eyewear.
