

BioNutria Mangan 170S

Made of the very best raw materials permitted for organic use.
Effectively remedies and prevents manganese deficiency in all crops.
A premixed, high-quality manganese solution. Also contains sulphur.

BioNutria Mangan 170 S is an authorised non-organic product that can be used in organic farming in accordance with EU Regulation 848/2018.

MIXTURES

Note that we assume no liability for any mixture with other fertilisers or pesticides. Before mixing with one or more pesticides, it is advisable to make a small test solution.

BioNutria Denmark will not be responsible for the effect of mixtures and guarantees only the content of BioNutria Mangan 170 S.

DOSAGE

Use BioNutria Mangan 170 S as needed.
Recommended use: 2–4 L/ha.
Repeat treatment if necessary.

APPLICATION

Spray 50–200 L of BioNutria Mangan 170 S per ha.

As the product is absorbed through the leaves, good plant cover is important.
